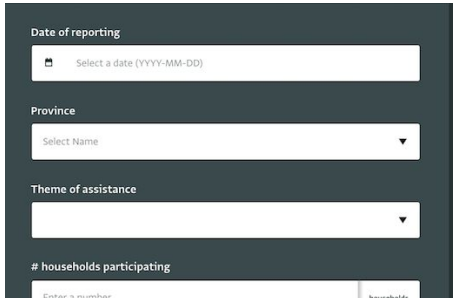
Introduction to ActivityInfo

What is ActivityInfo?

An end-to-end solution for data management

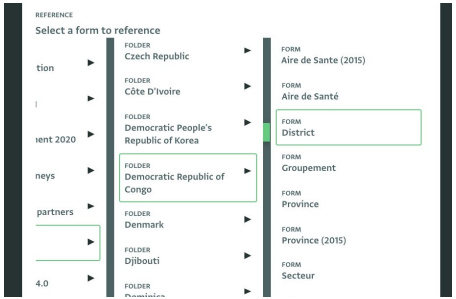
Data collection

Easily collect the data you need from anywhere



Data management

Organize your information according to your workflow



Data analysis

Generate actionable insights in real-time

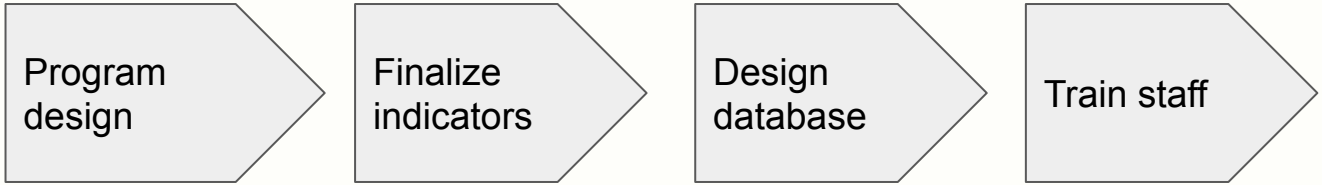
Where is ActivityInfo used?

- Deployed in 70+ countries
- NGOs
- Governments
- United Nations: UNHCR, UNICEF

Aga Khan Agency for Habitat

https://www.activityinfo.org/about/casestudies/index.html

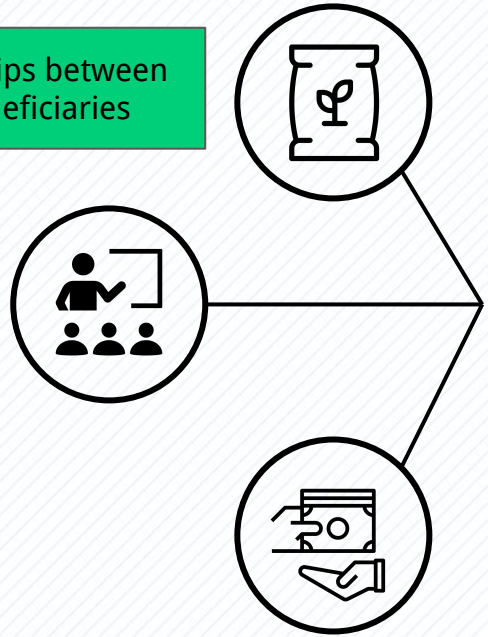
Where does ActivityInfo fit in?



ActivityInfo

A relational database helps you build a complete picture of your beneficiaries

Establish relationships between activities and beneficiaries



Attribute results over time to beneficiaries

Activity Info

Database design

Set up forms and reports

Reference forms

- Geography
- Categories
- Macro statistics

Registry forms

- Individuals
- Farms
- Firms
- Loans

Trackers

- Activities
- Training
- Farm visits
- Communication

Surveys

- In depth sample
- Measure outcomes

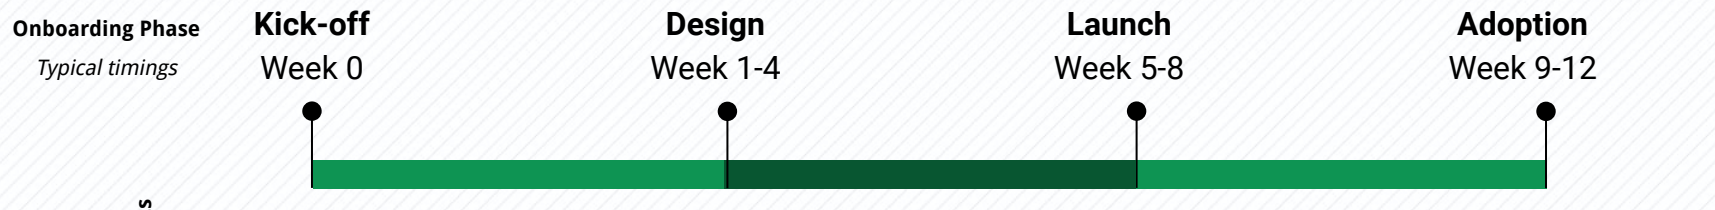
Choosing ActivityInfo

Onboarding journey



Key events

- ★ Kick-off Meeting
- ★ Internal Launch
- ★ Close-out Meeting

Customer tasks

- ❑ Define goals
- ❑ Approve onboarding plan
- ❑ Identify Technical Contact
- ❑ Configure your first database
- ❑ Configure your first report
- ❑ Define user roles
- ❑ Migrate data from the previous system
- ❑ Present the new database to staff
- ❑ Conduct roll-out sessions for staff
- ❑ Begin using the new database
- ❑ Monitor usage

Support we provide

- Development of tailored onboarding plan
- General orientation on core functionalities
- Working sessions to guide you through the configuration process
- Technical support for complex configurations
- Discovery interviews with key stakeholders
- Access to extensive resource library
- Technical support for complex migrations
- Working sessions to troubleshoot issues
- Tailored training sessions
- Guidance on managing internal roll-outs
- Attendance at internal presentations
- Check-in sessions to address any challenges
- Office Hours for general questions
