ActivityInfo Roadmap - Preview upcoming features

Starting shortly, please wait!

How do we plan our roadmap?

-  Our mission
-  Customer feedback
-  Customer-funded engineers

Our mission

FOR WHOM?

WHAT?

WHY?

- To provide the social sector with
- a standard, easy-to-use and comprehensive data management platform
- so that as many organizations as possible can become data-driven
- to achieve better outcomes for people worldwide.
